(c) DIRECTOR - 77743, 15 January 1965

1. Reference (c) authorized a loan of \$12,000.00 to LIMOUSINE for the construction of an apartment building. Repayment of this loan, per agreement forwarded to Headquarters by reference (b), was to have been partially made by renting the top-floor apartment of his building to any person designated by the Station rent-free at a calculated value of \$184.00 per month. Subsequently, it was orally agreed that we would credit his indebtedness with \$240.00 per month, since the latter amount is the actual rental fee.

2. Also, as part of reference (b) agreement (paragraph 6), LIMOUSINE was to have refunded all rents paid him by the lessee for occupancy of the LILYRIC top-floor apartment for the first twenty-four months. WOFIRM paid LIMOUSINE \$5,760.00 for rental of the subject apartment during this period, of which he refunded \$720.00 in May 1966, leaving a balance of \$5,040.00.

3. As indicated by recent SGDIAL audit findings, LIMOUSINE is indebted to WOFIRM as of 31 December 1968 as follows:

- a. \$384.00 per paragraph 4 of reference (b) agreement.
- b. \$5,040.00 for rents received from WOFIRM, per paragraph 2 above.

4. However, since it was the understanding between the Station and LIMOUSINE that his indebtedness to WOFIRM was \$4,096.80, arrived at as follows:

a. Original Loan	-	\$12,000.00
b. Less refunds	-	(7,903.20)
c. Balance	-	4,096.80

and based on paragraphs 1 and 2 above, Headquarters concurrence is requested to liquidate LIMOUSINE's indebtedness with his refund of \$4,096.80. An early reply would be appreciated.

for Bernard A. EDGUBROOK

1. I, Bouda H. ... of the U. S. Government ...
... of the property located at 120 Ave. ...
... of this ... I will pay \$60,000 (\$30,000 cash) in cash
in two equal installments. The first installment of \$30,000 will be
paid on the completion of construction of the building. The second equal
installment will be paid on completion of the construction.

2. Construction of the new building to be erected on the site in question
will begin immediately on completion of the demolition of the present
structure and clearing of the site.

3. The balance of \$30,000 pesos will be repaid within two (2) years of com-
pletion of the building. As part of this payment, the apartment which
is to occupy the entire top (fifth) floor will be let rent-free to Jorge
Barrios VILLALBA or anyone or such other person as the U. S. Government
may designate for two (2) years at a estimated rent of \$2,500 pesos
monthly, including city water. The undertaking covering this two year
free rental will be negotiated by me with the representative of the U. S.
Government and will be considered part of this Memorandum of Agreement.

4. The \$2,500 pesos remaining will be paid in a lump sum at the end of the
second full year of VILLALBA's occupancy of the apartment.

5. I further agree that I will, on completion of the building, execute a rental
contract with VILLALBA in accordance with the pertinent part of paragraph 3
above. This contract will be accompanied by an unwritten option for
VILLALBA or other person approved by the representative of the U. S. Govern-
ment to renew the rental contract for such periods of time as the U. S.
Government may see fit. The contract shall stipulate that any increase in
rental will not exceed the proportionate rate at which rentals have been
increased for the other apartments in the same building.

Any rental payments made to me or my representatives by VILLALBA during the
two year free rental period, will be returned to the representative of the
U. S. Government, minus any such appropriately prorated charges for build-
ing repairs and maintenance as would normally fall to the responsibility
of the tenant.

7. I further stipulate that, during the period of this agreement, I shall (as your presence during the war, I should also be relieved from the American Consulate, this agreement will become binding on my estate through my beneficiary, which includes my children, Douglas and Maria.

<p>1. The final sale of LINOUSINE's property described in paragraph 1 of Ref A has been delayed by the necessity for the insurance companies to obtain approval of various plans (sewage, streets, electricity, etc.) from the appropriate GOM agencies prior to signing a sales contract. These requirements are stipulated by the agency which regulates the financial activities of insurance companies. All of these bureaucratic requirements have been met and LINOUSINE expects the sale to become final in December 1968. He expects to realize substantial cash from the sale in February or March 1968. In the meantime LINOUSINE continues to find himself strapped for cash because he has the continuing expense of holding the land over a much longer period than he had planned. His personal finances are also tight due to two complicated operations with lengthy hospital stays which his wife underwent in 1968. For all of the above reasons LINOUSINE requests an extension on his loan to WOFIRM until 31 March 1969.</p> <p>2. Following is a close projection of LINOUSINE's indebtedness to the Station by 31 December 1968 (LINOUSINE accounts semi-annually):</p> <table border="0" style="width: 100%;"> <tr> <td style="width: 60%;"> Balance of LILYRIC property construction loan which should have been paid off in June 1968 </td> <td style="width: 40%; text-align: right; vertical-align: bottom;"> 51,210.00MM </td> </tr> </table>				Balance of LILYRIC property construction loan which should have been paid off in June 1968	51,210.00MM

<p>3. The undersigned has been in close touch with LIMOUSINE on his financial problems and can certify that he is temporarily in financial straits because he unexpectedly held a piece of land for almost two more years than he anticipated and that the final sale is close to completion. This is a major tract of land in which LIMOUSINE will realize a personal profit of almost one million dollars. The magnitude of this profit is the reason that LIMOUSINE has been holding the land tenaciously and going into the hole in the process.</p> <p>4. For the above reasons and the reasons given in paragraph 5 of REF A, the Station strongly recommends that LIMOUSINE's loan in the amount of \$8,706.67 (US/CY) be extended to 31 March 1969.</p> <p style="text-align: center;">for/Willard C. The final sale of LIMOUSINE's property described in paragraph 1 of Ref A has been delayed by the necessity for the insurance companies to obtain approval of various plans (sewage, streets, electricity, etc.) from the appropriate COM agencies prior to signing a sales contract. These requirements are stipulated by the agency which regulates the financial activities of insurance companies. All of these bureaucratic requirements have been met and LIMOUSINE expects the sale to become final in December 1968. He expects to realize substantial cash from the sale in February or March 1969. In the meantime LIMOUSINE continues to find himself strapped for cash because he has the continuing expense of holding the land over a much longer period than he had planned. His personal finances are also tight due to two complicated operations with lengthy hospital stays which his wife underwent in 1968. For all of the above reasons LIMOUSINE requests an extension on his loan to WOFIRM until 31 March 1969.</p> <p>2. Following is a close projection of LIMOUSINE's indebtedness to the Station by 31 December 1968 (LIMOUSINE accounts semi-annually):</p> <table border="0"> <tr> <td>Balance of LILYRIC property construction loan which should have been paid off in June 1968</td> <td>51,210.00MMN</td> </tr> </table>				Balance of LILYRIC property construction loan which should have been paid off in June 1968	51,210.00MMN

<p>3. The undersigned has been in close touch with LIMOUSINE on his financial problems and can certify that he is temporarily in financial straits because he unexpectedly held a piece of land for almost two more years than he anticipated and that the final sale is close to completion. This is a major tract of land in which LIMOUSINE will realize a personal profit of almost one million dollars. The magnitude of this profit is the reason that LIMOUSINE has been holding the land tenaciously and going into the hole in the process.</p>		
<p>4. For the above reasons and the reasons given in paragraph 3 of REF A, the Station strongly recommends that LIMOUSINE's loan in the amount of \$8,706.67 (US/CY) be extended to 31 March 1969.</p>

SUBJECT	LIMOUSINE LIMESA LILYRIC - Request for a Loan to LIMOUSINE		MICROFILM
ACTION REQUIRED - REFERENCES			
<p>1. The ownership and bookkeeping of both the LIMESA and LILYRIC properties is carried in the name of a real estate company which LIMOUSINE controls. This company owns several other properties including a major tract of land on the outskirts of Mexico City which LIMOUSINE has been holding for resale at a profit. However, his expenses on this property have been heavy over the past year which has left his company in a very short cash position. LIMOUSINE delayed selling this tract pending completion of a highway which gives access to the property and increases its value. This highway is now complete and LIMOUSINE is working out the details of the sale of this property to a consortium of insurance companies which will construct a housing development. LIMOUSINE expects to start realizing substantial cash on this sale during the third quarter of 1968.</p> <p>2. Due to the short cash position of his company LIMOUSINE has asked the Station for a moratorium on the money due to the Station from the LIMESA and LILYRIC properties for calendar year 1967 and the first half of 1968. LIMOUSINE's indebtedness to the Station for calendar year 1967 is as follows:</p> <p>a. LIMESA - LIMOUSINE has turned in an accounting on his expenses for the LIMESA property which he has paid. After deducting his expenses (water, taxes, etc.) he owes the Station 22,332.61 MN.</p> <p>.....continued</p> <p>Distribution: 2 - C/WH 2 - Office of Finance</p> <p>Q 50-6-58/2 B-201-CC 5762</p> <p>APR 17 1968</p> <p>CS COPY</p> <p>50-6-74/6</p>

b. LILYRIC - As detailed in HMMA-25310, 3 February 1965, LIMOUSINE is repaying his construction loan from the Station on the LILYRIC property by repaying to the Station the rent on the LILYRIC apartment which is 3,000 MN per month or 36,000 MN per year. Of his original loan of 150,000 MN he had repaid 98,790 MN by 31 December 1966 leaving a balance 51,210 MN. According to the repayment schedule he should have paid 36,000 MN during 1967 leaving a balance of 15,210 MN. Also, according to the schedule, the loan should be fully repaid by June 1968.

3. Thus, LIMOUSINE's indebtedness to the Station for calendar year 1967 is 58,332.61 MN (22,332.61 for LIMESA and 36,000 MN for LILYRIC). By 30 June 1968 his indebtedness will be increased by approximately 28,210 MN (approximately 13,000 MN for LIMESA and 15,210 MN for LILYRIC). LIMOUSINE's estimated total debt to the Station by 30 June 1968 is estimated at 86,542.61 MN (58,332.61 MN for calendar year 1967 and 28,210 MN for the first six months of 1968). 86,542.61 MN equals \$6,923.41 (US/CY).

4. Therefore LIMOUSINE requests a loan of 58,332 MN, the amount already due to the Station for calendar year 1967 and a second loan of approximately 28,210 MN which represents the money which will be due on 30 June 1968 (LIMOUSINE accounts on a semi-annual basis). He has promised to repay all monies due to the Station during the third quarter of 1968.

5. The Station strongly recommends approval of this loan for the following reasons:

a. LIMOUSINE has been a faithful Station asset for many years. He has never refused a request of the Station's and has offered his services continuously without remuneration (the Station does give him Christmas gifts). He has always been honest in his financial dealings with the Station and we have no reason to believe that he will default on this debt.

b. Due to unexpected construction and repair costs on the LILYRIC building and a poor rental performance (this latter is partially due to the Station which has vetoed several potential tenants on security grounds), the LILYRIC building is in the red. LIMOUSINE doesn't expect it to be in the black for at least two more years. Since the Station has turned down several tenants, it is partially responsible for this problem.

6. Please advise.
